## Timeframe for Issuing of Results

### Qualifications

#### Online Exams

Results of all OAL online exams are visible onscreen on completion of the exam. OAL will issue copies of the results to centres within 5 working days.

#### Paper-Based Exams

All OAL paper-based exams are marked by the centre. The centre should issue results to learners within 5 working days of the exam taking place.

#### Graded Qualifications

Qualification grades must be issued to learners within 10 working days by the centre.

### End-Point Assessment

Results for OAL End-Point Assessments will be issued to the employer/provider within 10 working days of the end-point assessment(s) taking place. Employers/Providers should pass these results to the apprentice as soon as reasonably practicable.
