1.6. Qualification achievement

This qualification is made up of units of assessment that are mandatory. The units are allocated a credit value which provides an indication of the size of the unit in terms of learning hours, 1 credit = 10 learning hours. The units also have assigned Guided Learning Hours (GLH), which indicate the average number of hours a learner may require guidance and support from teaching, learning and assessment professionals to achieve the unit.

The units of assessment set out learning outcomes which describe what learners need to be able to do and understand. The learning outcomes are defined by assessment criteria which are used to assess competence, expressed as skills achieved and learned knowledge and understanding, to achieve the units. Achievement of the one mandatory unit will mean the qualification has been completed, and will be subject to approval of a claim for certification. OAL will issue a certificate complete with the learner's name, the qualification and unit titles and the credits achieved.
